IN RE: Small Power Production and Cogeneration	)	ORDER GRANTING CONTINUANCE
Facilities - Implementation of Section 210	)	AND REQUIRING PREFILING
of the Public Utility Regulatory Policies	)	AND SERVICE OF TESTIMONY
Act of 1978.	)	AND EXHIBITS

On May 10, 1984, Steven W. Hamm, Consumer Advocate for the State of South Carolina ("the Consumer Advocate") and South Carolina Energy Users Committee ("SCEUC") filed a Motion for Continuance seeking certain relief in the nature of an Order of the Commission continuing the hearing currently scheduled in the instant proceeding for May 30, 1984, for a period of not less than sixty (60) days. In support of said Motion, the Consumer Advocate and SCEUC alleged, inter alia:

That, upon information and belief, a continuance of the hearing date in this proceeding of not less than sixty (60) days would not prejudice the rights of any party of record. Rather, the requested continuance would enable all parties of record to prepare substantive testimony for presentation to the Commission which would better develop the significant issues in this proceeding, thus best serving the interests of all parties, the Commission and the public.

From a review of the matters asserted in said Motion, the Commission is of the opinion, and so finds, that the Motion should be granted. The Commission hereby continues the hearing previously scheduled to commence on May 30, 1984, to September 12, 1984 at 10:30 A.M.

In view of the action taken herein, the Commission hereby extends the time for prefiling and service of testimony and exhibits by Carolina Power and Light Company, Duke Power Company, and South Carolina Electric & Gas Company, previously set by Order No. 84-294, issued on April 5, 1984, until July 13, 1984. Further, all other parties of record and the Commission Staff shall be required to prefile twenty five (25) copies of their respective direct testimony and exhibits and serve copies upon all parties of record in this proceeding on or before August 20, 1984.

IT IS THEREFORE ORDERED:

1. That the hearing in the instant proceeding previously scheduled to commence on May 30, 1984 at 10:30 A.M. be, and hereby is, rescheduled to commence on September 12, 1984 at 10:30 A.M. in the Commission's Offices, 111 Doctors Circle, Columbia, South Carolina.

2. That Carolina Power and Light Company, Duke Power Company, and South Carolina Electric & Gas Company prefile twenty-five (25) copies of their respective intended direct testimony and any accompanying exhibits of their witnesses relative to the instant proceeding and serve copies thereof upon all parties of record in this proceeding on or before July 13, 1984.

3. That all other Parties of Record and the Commission Staff prefile twenty-five (25) copies of their respective intended direct testimony and any accompanying exhibits of their witnesses relative to the instant proceeding and serve copies thereof upon all parties of record in this proceeding, on or before August 20, 1984.

4. That all terms of Orders or Notices inconsistent with the terms of this Order are hereby modified as set forth herein.

5. That this Order shall remain in full force and effect until further Order of the Commission.
